Senior Spotlights by Caedan Nelsen

Aliyah Spurrell is the daughter of Alisha McPartland and Shawn Spurrell and was born December 5th, 2005. She likes Homer because of the fine arts program. Her favorite lunch is the chicken ranch pasta. Favorite subject is history, and her favorite teacher is Mrs. Tremayne. She is part of choir, band, color guard, art, speech, and One Act. 2023 parents' night for speech is her most memorable moment at Homer. She plans to study theater at the University of Nebraska, Omaha.

Liam Vavra is the son of Sis Donnelly and Elvin Vavra, and he was born January 25, 2006. His favorite part of Homer is it is in a small community so everybody knows everybody. His favorite lunch is taco in a bag, and his favorite subject is math. His favorite teacher is Mr. Lambert, and he participates in trap and golf. His most memorable thing in Homer is sitting in Mr. D's room talking about dumb stuff that they have done. He plans to join an operators' union after high school.

Ashlee Waldee is the daughter of Eric and Hollie Waldee, and she was born 12/20/2005. Her favorite part about Homer is being able to have a relationship with teachers because of how small the school is. Her favorite lunch is pizza pasta bake, her favorite teachers are Mr. D and Ms. McPartland, and her favorite subject is math. She participates in XC, basketball, jazz band, band, one act, speech, and NHS. Her most memorable moment in Homer is when Mr. D picked her up and threw her over his shoulder. After high school she plans on going to the University of Nebraska, Omaha and getting her masters' degree in athletic training to be an athletic trainer.
